

Does your love of animals inspire your scuba diving? Allow us to be your hosts when visiting the incredible Monterey Bay and expand your animal experience to a Land & Sea Adventure. We'll introduce you to some of the most incredible land animals in the world. Experience an alternative means of overnighting like no other.

Vision Quest Ranch is home to the *Wild Things* animal facility, located just off the Monterey -Salinas Hwy. 68. Home to over 100 exotic and wild animals, the Vision Quest Ranch Safari B&B is a fun, exciting and educational experience unlike any other in the world as well as an extremely unique, exciting yet economical means of overnighting in the Monterey Bay area.

Our new Ocean Safari Packages combines an overnight safari with a private hands-on tour and our Butches Bed-time Package as well as a catered dive day to make your Monterey excursion much more memorable. This package includes dive coordination, transport, equipment handling, lunch, dive shop discounts, gear care and more. Our "plus" package includes an Ocean Safari hat and shirt and an after dive reception at the ranch with a few more "wild things" to play with while your gear is cared for.

Treat yourself and that special diver in your life to a truly unique dive day like no other. For much more information, visit our website or call us at:
